

Bedfordshire Steam & Country Fayre

PRESS RELEASE

Due to a large increase in the financial terms and conditions placed upon us by the team at Shuttleworth this year, the Officers & Committee of the Bedford Steam Engine Preservation Society have decided it is time to move the annual Bedfordshire Steam & Country Fayre to a new venue.

Given the time required to get plans in place and set up the infrastructure required for an event of our scale, there will not be an event on the 13th, 14th & 15th September 2019.

We thank you for your continued support of the Society. The last 22 years at Old Warden have seen us grow into one of the premier events on the preservation calendar and hope you will join us again on the 18th, 19th & 20th September 2020 at our new venue.

Further details of the 2020 plans will be released in due course.

In the meantime, come along and support the Society at our summer event, the South Beds Country Show at New Manor Farm, Harlington on the 29th & 30th June 2019.

Follow us on Social Media to keep up with our latest news and other events, search for *#bedfordsteam*
